

MOVING POINTS IN PALLIATIVE CARE 22ND ANNUAL CONFERENCE

## Self Care & Compassion In Healthcare

Tuesday 25 April 2017

**Ms Juanita Guidera, Lead Staff Engagement, HSE Quality Improvement Division** is passionate about valuing staff and supporting leaders further develop skills to engage staff. Juanita has worked in healthcare since 2001 when she joined the South Eastern Health Board.

Juanita is currently the Quality Improvement Division Lead for Staff Engagement. In addition to her work co-facilitating the National Staff Engagement Forum, she is also involved in designing and testing methodologies for staff listening and front line ownership, sharing learning to support the implementation of the Framework for Improving Quality and partnering with health sector organisations to introduce Schwartz Rounds in collaboration between the Quality Improvement Division and the Point of Care Foundation.
