Dublin Certificate in Evidence Based Spirituality for Healthcare

About this course

The aim of the Dublin Certificate in Evidence Based Spirituality for Healthcare is to provide healthcare professionals with an opportunity to develop their theoretical knowledge in spirituality and spiritual care in healthcare. It provides healthcare professionals with an opportunity to explore their own spirituality. The course will also explore issues related to assessing spiritual needs, exploring existential issues, responding to spiritual distress and the provision of spiritual care at end-of-life.

This course is open to all health and social care professionals.

The course will adopt a blended learning approach, with online lectures and facilitated in person workshops, over a period of 10 weeks. The course is facilitated by chaplaincy and education staff from Our Lady's Hospice & Care Services.

The course will commence on Tuesday, January 30th, 2024

Fee: €375
